Patricia,

Thanks for the info.

Any releasable information update concerning Lubrizol/the PRP group and the VCP?

Hi Bob,

TCEQ spoke with a representative of the PRP group yesterday and in regards to any request that EPA may receive asking for information about a PRP group by organizations that were sent a request letter by EPA, the PRP group has indicated that EPA can, if it wishes, refer the entities to Karen Walters at Lubrizol. Karen's phone number is: 440-347-5028.

Thanks and have a great Easter.

Tim,

I've been advised that April 30, 2015 is now EPA's planned date to have the already FOIA requested site related document copies available for online viewing.

The date has been changed from April 14<sup>th</sup> to April 30<sup>th</sup> due to time needed to make the large number of document copies viewable from the FOIA online web site.

Mr. Tim Wilkins,

Thanks for your call today. The expedient way for you to request copies of previously requested FOIA redacted copies of documents (invoices, manifests, etc.) that EPA has obtained from CES Environmental Services, Inc. is via the following FOIA online web site:

<https://foiaonline.regulations.gov/foia/action/public/search>

**April 14, 2015**, is the EPA's target date for copies of these previously requested FOIA redacted documents to be viewable at the above URL. **After April 14, 2015**, when you go to this site:

1. Click on tab titled Search FOIA Requests.
2. In the Search Criteria box:
  - A. Search for - "EPA-R6-2015-005289"
  - B. Type – Leave all four boxes checked
  - C. Agency – Select U.S. Environmental Protection Agency
3. Click the search tab.

If you have any other questions please call me.

Thanks,  
Bob Werner
